

## WORLD HERITAGE DAY

### Events of the month

- World Heritage Day
- Earth Day

### Theme of the month New Beginning

### Value of the month Hope & Joy

Sanskriti Kids organized World Heritage Day, a day of great global importance. India is a land replete with cultural, historical and religious artifacts, which draw a sense of wonder for the visitors and certainly makes every Indian feel proud of this valuable possession. Therefore, on World Heritage Day students delivered speech showcasing charts of various monuments in order to spread awareness among the students and encouraged them to preserve their national heritage for posterity. A short quiz was conducted in the assembly to test the awareness of our National Monuments.

# CLASSROOM ACTIVITIES

## Learning by Doing

As per NEP 2020, primary kids are given various tasks to collaborate and coordinate in groups and present their final work. This enables kids to develop team spirit and they become more flexible in dealing with peers.

Sanskriti kids show great enthusiasm in all the activities and are eager to demonstrate their skills without hesitation.

Sanskriti Kids organized various activities to mark World Environment Day. Students actively participated in drawing contest, expressing their concern towards the environment under a series of activities. Earth Day is an important reminder of the interconnectedness of all living things and the urgent need to take action to protect our planet. Earth Day, observed every year April 22, is a worldwide annual event that serves to increase environmental awareness and inspire students to take action in protecting our planet.

# Let's talk about Kindergarten

Every day is a new experience to the kids. With a plethora of activities aligned with the curriculum, learning various skills becomes very interesting and engaging for the little ones.

Kids enjoy trying their hands at various fine motor and gross motor skill development activities and gradually exhibit confidence in working independently

# Faculty Training Programme

## Re-inventing the Teacher in You...

Sanskriti Group of Schools organised the faculty training sessions to enhance the teaching skills of the staff, from 30th May to 3rd June 2023. Various topics that aid the professional development of teachers, besides making them competent in handling the 21st century skills were taken up by renowned resource persons. Classroom Management Strategies, Adolescence, Coping with special needs of children, Communication skills, Time management and Team building were some of the topics covered in the session. Interesting activities were aligned alongside to facilitate experiential learning, which will be transferred into the classrooms. Ms. Mona Mehdi, Dr. Mahesh Kumar Soma, Ms. Eashwari were resource persons from various fields who lent their expertise to the sessions. It was enriching, informative and interesting to be a part of these sessions.
