

सभी को नव वर्ष की शुभकामनाएं । आज मैं नव वर्ष के प्रथम दिन के उपलक्ष्य में अपने कुछ विचार व्यक्त करना चाहती हूँ।  
“ये नया साल है बड़ा ही निराला, न जाने कितनी खुशियों का खोलेगा ये ताला।”

नव वर्ष का अर्थ हम सभी के लिए एक नई उम्मीद से भरा सवेरा होता है। वर्ष के 365 दिन देखते ही देखते बीत जाते हैं । कोई साल तो हमारे लिए ढेर सारी खुशियां और तरक्कियां लेकर आता है, तो कोई साल संघर्षों से भरा होता है । इसलिए हम सभी आज के दिन ईश्वर से आने वाले साल में, पिछले साल से बेहतर जीवन की कामना करते हैं, और अपनी सफलता के लिए नया लक्ष्य देखते हैं। इस दिन लोग एक नया लक्ष्य निर्धारित कर आने वाले नव वर्ष में पूरा करने का संकल्प लेते हैं तो कोई अपनी कमियों को दूर करने का विचार मन में लाता है। आइए इस साल 2023 में हम सभी यह प्रण लें कि हम इतनी मेहनत करेंगे कि कुछ सालों बाद हर दिन नव वर्ष के जैसा होगा । यह 2023 का नव वर्ष हमारे बच्चों के जीवन में नई खुशियाँ, नई उम्मीद ,नई किरण लेकर आए । आप सफलता की सीढ़ियों पर चढ़ते हुए अपने लक्ष्य तक पहुँचे । आपका आत्मविश्वास और उत्साह मिलकर आपके जीवन में ऊँचाइयों को नया मुकाम दे । इस नए वर्ष पर मेरी यही शुभकामना है ।

“तरक्कियों को छूकर पाएं सब नया मुकाम, नया साल लगाए सब की खुशियों में चार चांद” ।

धन्यवाद

## REPUBLIC DAY CELEBRATION

India observes January 26 as the day on which our constitution came into effect and celebrates it as Republic day every year with great pride and enthusiasm. The 74th Republic Day was celebrated at Sanskriti Kids with great patriotic fervor. Students welcomed the Chief Guest Sri. Vikrant Terala through a guard of honour. The flag was unfurled amidst the echoes of the National Anthem. Children performed dances depicting the patriotic spirit of Indians. Speeches by kids were energetic and portrayed the voice of the young Indians. It was a wonderful event and could aptly sensitize the kids with the spirit of nationalism.

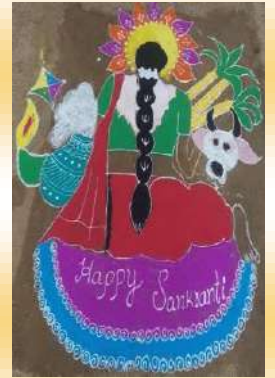

## SANKRANTI CELEBRATIONS

India, is an agrarian society and Indians celebrate the harvests with great pomp and show. Marking the first harvest festival, Sanskriti Kids celebrated Makar Sankranti with great enthusiasm. The harvest festival is celebrated in various states as Pongal, Bihu, Lohri and Uttarayan. Children danced to the traditional numbers depicting the spirit of the harvest festival. Mothers participated in the rangoli competition and also enjoyed the cultural events. Children understood the importance of the festival as a few mothers narrated their childhood experience of the festival. Prizes were given to the winners of rangoli competition.

# Best Out Of Waste

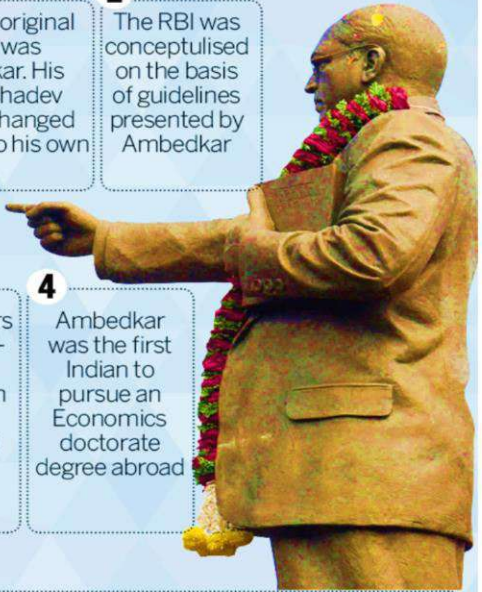

By reducing the amount of waste you create, you help prevent pollution and protect the environment. Sanskriti Kids primary wing organized the Best out of waste competition to sensitize the kids about the need to conserve nature and her resources. Children made beautiful articles with waste materials available at home

## In the West (Chicago's speech)

Vivekananda on the platform of the parliament in Chicago

- Vivekananda was received well at the 1893 world parliament of religions in Chicago, where he delivered a series of lectures.
- He also earned wild applause for beginning his address with the famous words, "sisters and brothers of America"

Your teeth are as unique as your fingerprint!

If the Parliament of Religions has shown anything to the world it is this: It has proved to the world that holiness, purity and charity are not the exclusive possessions of any church in the world, and that every system has produced men and women of the most exalted character. In the face of this evidence, if anybody dreams of the exclusive survival of his own religion and the destruction of the others, I pity him from the bottom of my heart, and point out to him that upon the banner of every religion will soon be written, in spite of resistance: 'Help and not Fight', 'Assimilation and not Destruction', 'Harmony and Peace and not Dissension'.

## Panchatantra Kahaniya

Stories have a unique way of stimulating our imagination and they have also been our age old custom of moral upbringing. Animal stories further ignite the curiosity of young children and drive the message of good moral values effortlessly. With the sense of inculcating the right values and developing the listening skills of our little kids, Pre-primary wing organized the Panchatantra Kahaniyan session, where the story was narrated through props and enaction. Children thoroughly enjoyed the story as it was being narrated by their teachers. They were also able to understand and answer questions related to the story at the end of the session.

## Little Chef Activity

# FUN LEARNING

Learning by doing, as the adage goes, pri-primary kids were engaged in various activities to discover the concept of addition. Through celebrations they were further sensitized about various important days and their significance.
