# Grandparents' Day

## Waves of Wisdom

The Sanskriti Kids Grandparents Day event for pre-primary children was a vibrant and energetic celebration, delightfully organized in a retro style. This charming gathering brought together grandparents and grandchildren for a day full of warmth and nostalgia. The event featured a variety of engaging activities and competitions designed to foster joy and connection across generations. Highlights included a lively talent show where young participants showcased their budding skills, a colorful coloring competition that inspired creativity, and the classic musical chair game that had everyone on their feet. Additionally, the tower of glasses challenge added an element of excitement and friendly competition, making the day memorable for all attendees. Overall, the event was a wonderful tribute to the special bond shared between grandparents and their beloved grandchildren.

# Teacher's Day

## Aqua Guides

Teachers' Day at Sanskriti Kids was a delightful affair, filled with heartfelt gestures and meaningful celebrations. The young students expressed their appreciation by presenting greetings to their mentors, showcasing their gratitude and admiration. Adding a touch of fun and creativity, some children dressed up as teachers, stepping into the shoes of their educators for the day. Meanwhile, teachers from the Sanskriti Group of Schools gathered for a collective celebration, strengthening their bonds and sharing experiences. The highlight of the event was an inspiring speech delivered by the director, Mr. Vikranth Terala, who emphasized the invaluable role of teachers in shaping the future and nurturing young minds. The day was a beautiful reminder of the profound impact teachers have on their students' lives.

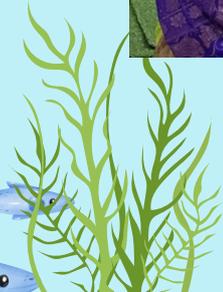

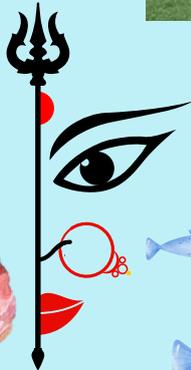

# Dusseera Celebrations

## Ocean of Traditions

The pre-primary Dussehra and Bathukamma celebration at Sanskriti Kids was a vibrant and joyous occasion that left smiles on everyone's faces. The young students, dressed as iconic characters such as Rama, Sita, Lakshmana, and Hanuman, brought the epic stories to life with their charming portrayals. The atmosphere was further enlivened by the rhythmic beats of the dandiya dance, which the children enthusiastically participated in, twirling their sticks with exuberance. The celebration not only provided an opportunity for the kids to learn about and honor traditional cultural narratives but also offered them a chance to express their creativity and enjoy a sense of community. The event was a beautiful blend of cultural education and fun, making it a memorable day for everyone involved.

# Dusseera Celebrations

## Ocean of Traditions

The primary Dussehra celebration at Sanskriti Kids was a vibrant and joyful event that left a lasting impression on everyone involved. The children were particularly thrilled with the dandiya dance, enthusiastically twirling and tapping their sticks to the lively beats. The event was not only a celebration of culture and tradition but also an opportunity to express gratitude to the dedicated housekeeping and security staff. Thoughtful gifts were presented to these invaluable team members as tokens of appreciation for their hard work and commitment. This gesture of recognition added a heartwarming touch to the festivities, reinforcing a sense of community and appreciation within the school.

# Faculty Training Program

## Nurturing Educator Excellence

The faculty training program commenced on a rejuvenating note with a yoga session on Day 1, setting a serene and focused tone for the participants. This holistic approach laid the groundwork for the key theme of the day: "Holistic Program for Teachers 360 Degrees." This comprehensive session aimed to provide educators with a well-rounded perspective on teaching, emphasizing the integration of mind, body, and spirit in their professional practices. Moving into Day 2, the program continued to build on this foundation with a focus on "Gratitude in Action." Following another invigorating yoga session, this topic encouraged teachers to incorporate gratitude into their daily routines, both in their personal lives and educational environments. This practice of gratitude not only enhances personal well-being but also fosters a positive and nurturing atmosphere within the classroom, ultimately benefiting students and colleagues alike.

# Faculty Training Program

## Nurturing Educator Excellence

On the third day of the faculty training program, teachers from the Sanskriti Group of Schools convened at Sanskriti Kids to engage in a series of enriching activities. The day began with a session of light yoga, designed to rejuvenate and energize the participants for the day ahead. Following this, Principal Ms. Priscilla Pallavi led the group in a session of affirmations, fostering a positive and motivating atmosphere. The teachers then participated in a group discussion focused on planning for Term 2, where they shared insights, strategies, and collaborated on enhancing the educational experience for their students. This collaborative environment not only strengthened the professional skills of the teachers but also emphasized the importance of well-being and community in the educational journey.

# Faculty Training Program

## Nurturing Educator Excellence

On the concluding day of the faculty training program at the Sanskriti Group of Schools, the participants experienced a rich blend of activities and learning sessions. The day began with a rejuvenating mindful yoga session, setting a peaceful tone for the subsequent discussions. Student counselor Ms. Bharathi followed with an insightful session on creating emotionally connected classrooms, emphasizing the importance of nurturing supportive and empathetic learning environments. This was succeeded by an enlightening session on AI knowledge and awareness, led by Dr. Rohit. Ms. Medha, who is currently associated with FENKO MATT, shared her expertise on waste management and the development of soft skills, highlighting their importance in sustainable practices and personal growth. The program concluded with Mr. Vignendra Varma offering valuable insights into students' rights and responsibilities, underscoring the significance of empowering students with knowledge of their roles within the educational framework. This diverse array of sessions provided the faculty with comprehensive skills and knowledge to better support their students.

# Diwali Celebrations

## Waves of Light

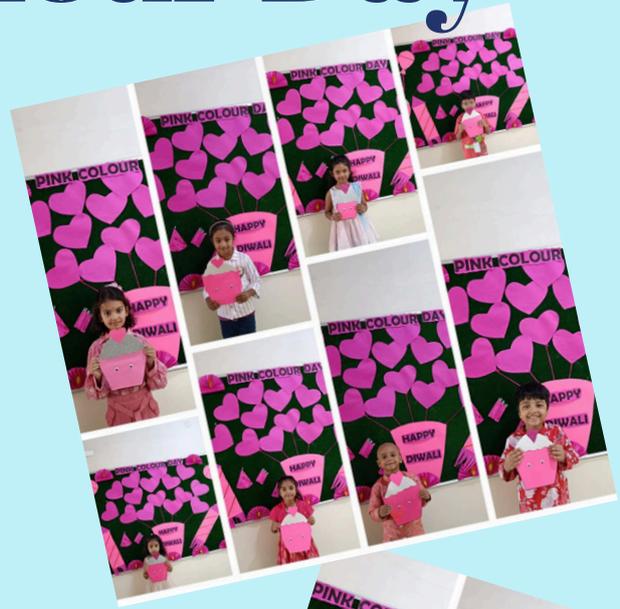

Diwali, the Festival of Lights, was celebrated with great enthusiasm at Sanskriti Kids, creating a vibrant and joyful atmosphere. The event was marked by the lighting of diyas, small oil lamps traditionally used during this festival to symbolize the triumph of light over darkness and good over evil. The flickering flames of the diyas illuminated the surroundings, filling the space with warmth and positivity. Children participated eagerly, learning about the cultural significance of Diwali while enjoying activities like storytelling, craft sessions, and traditional dances. The celebration not only brought joy to the young participants but also instilled a sense of cultural pride and understanding, making it a memorable occasion for everyone involved.

# Pink Colour Day

## An Ocean of Pink

Pink Colour Day at Sanskriti Kids was a delightful celebration filled with creativity and joy. The pre-primary children, along with their teachers, engaged in a hands-on activity that combined both art and cultural tradition. They crafted beautiful diya shapes using pink paper, employing the tear-and-stick technique, which not only enhanced their fine motor skills but also allowed them to explore the significance of colours in festivities. Additionally, the young artists created vibrant flower rangolis and adorned the space with diyas, adding a festive spirit to the occasion. This celebration not only introduced the children to the cultural importance of diyas and rangoli but also highlighted the beauty and versatility of the colour pink, fostering a sense of creativity and community among the little learners.

# Nutrition Week

## Deep Dive into Nutrition

Celebrating Nutrition Week at Sanskriti Kids was a vibrant and educational event that aimed to instill healthy eating habits in young minds. Children dressed up as various fruits, vegetables, and sources of protein, transforming the school into a colorful garden of nutritional delights. This creative approach not only made learning about nutrition fun but also helped children understand the importance of a balanced diet. Through interactive activities and engaging presentations, the kids learned about the benefits of vitamins, minerals, and proteins, and how these nutrients contribute to their growth and overall well-being. The event was a resounding success, leaving a lasting impression on the young participants and encouraging them to make healthier food choices.

# Congratulations

## Guiding the Ship with Grace

At the EduLeaders Summit, Ms. K. Priscilla Pallavi was honored with the prestigious Principal of the Year Award for her outstanding leadership at Sanskriti Kids. This accolade recognizes her exceptional dedication to fostering an enriching educational environment and her commitment to the holistic development of young learners. Under her guidance, Sanskriti Kids has become a beacon of excellence in early childhood education, emphasizing innovative teaching methods and a nurturing atmosphere. Her achievement not only highlights her personal contributions but also sets a benchmark for educational leadership in the community.

# Picnic to the ZOO

## A Day At Zoo

The pre-primary kids had a fantastic day at Nehru Zoological Park! Visiting the zoo was an exciting adventure for the young children, offering them the chance to see a wide variety of animals up close. It was an excellent opportunity for the kids to learn about wildlife, different animal habitats, and the importance of conservation in a fun and engaging way. Spotting a majestic lion, watching playful monkeys, or seeing colorful birds created lasting memories. Additionally, spending time outdoors with classmates was a wonderful way to build friendships and social skills. It truly was a day filled with joy and learning!

# ZOO

# Picnic to the RESORT

## A Splash Of Fun

We, the Sanskriti Kids, escorted the primary pupils on an excursion to the distinguished Siri Nature's Valley Resort, where they relished a delightful adventure. This magnificent locale offered a plethora of activities designed to entertain children of all ages. The youngsters explored the expansive games park, engaging in playful challenges that ensured countless hours of amusement. Additionally, they refreshed themselves in the grand swimming pool and experienced the exhilaration of thrilling water rides. Siri Nature's Valley Resort afforded the children a splendid opportunity to forge enduring memories amidst a picturesque natural setting.

# PTM 3

## Together We Grow

The Parent-Teacher Meeting (PTM) 3 at Sanskriti Kids was a delightful event filled with engaging and enriching activities. The event featured an art exhibition where students showcased their creative talents through various artworks, highlighting their imaginative skills and artistic expressions. In addition to the visual feast, the day was enlivened by interactive sessions organized by Helen O'Grady, which included fun games like Dumb Charades and Mirror Me. These activities not only entertained but also encouraged students to enhance their communication skills and express themselves confidently in a playful setting. Overall, the PTM was a wonderful opportunity for parents and teachers to witness the growth and talents of the children while fostering a sense of community and collaboration.

# Annual Sports Meet

## Let's Race

The recent Sports Day and Annual Sports Meet at Sanskriti Kids was a memorable event, celebrating the spirit of athleticism and teamwork among young students. The event was graced by the presence of the esteemed chief guest, international swimming champion Dr. Queeni Victoriya Gandham, whose inspiring words motivated the participants. A special thanks goes to Principal Ms. Priscilla Pallavi for her unwavering support and to PET Sir Mr. Naveen for his dedication in preparing the students. The children showcased remarkable talent and sportsmanship, with many winning medals in various events. Their enthusiasm and hard work were evident, making the day a resounding success and a proud moment for everyone involved.

# Mini Marvels - Screen VS Scene

## A Life beyond Gadgets

In this month's "Mini Marvels" chat show, hosted by the engaging Ms Mamta, we delved into the intriguing topic of "Screen vs. Scene" alongside primary educators Ms. Swathi Reddy and Ms. Yashwanthi. These dedicated professionals, who interact with children daily, provided valuable insights into the impact of screen time on a child's overall development. The discussion focused on determining an appropriate amount of screen time, highlighting the potential cognitive and social implications of excessive exposure to digital screens. The educators emphasized the importance of balancing screen time with real-world experiences and suggested creative alternatives to replace screens, such as engaging in outdoor activities, fostering imaginative play, and encouraging family interactions. This insightful conversation not only shed light on the challenges faced by modern parents but also offered practical solutions to nurture well-rounded development in children.
